Dear Sir/Madam

We regret to inform you that your request for refund dated 08/10/01 in the amount of \$ 110 covering a fee for application/patent # 09/917,480 cannot be authorized. Please refer to the box checked below for more information.

- ( ) Small entity status fee not refundable. The time has expired for refund of this fee. A refund based on establishment of small entity status may only be obtained if a verified statement under 37 CFR 1.27 and a request for refund of the excess amount are filed within two months of timely payment of the full fee (37 CFR 1.28).
- ( ) Application or petition fee not refundable. Money paid by actual mistake or in excess, such as payment not required by law, will be refunded; a mere change of purpose after payment of money, as when a party desires to withdraw an application, an appeal or a request for oral hearing does not entitle the party to a refund (37CFR 1.26). If any application is filed without the specification or drawing and the omission is not corrected with the period set, the application will be returned or otherwise disposed of. The fee, if submitted should include the \$130 handling fee (37 CFR 1.53).
- (X) Other: In reviewing your request, the questioned fee was necessary.

The second extension of time that was charged to your deposit account was for the one-month extension sent in prior to that. The first extension of time should have been for two months instead of the one-month that was requested.

Sincerely,

  
Jackie Waldo
